Thank You

A big Thank You to Lucy Robinson for agreeing to be the Garden Tour chair for 2023! She will be job shadowing Carol and Pam as they prepare with their committee for the upcoming 2022 *Welcome To My Garden* tour. The garden tour is our main fund raiser and it's success over the years has allowed the club to implement many city beautification and improvements projects. Our club has accomplished so much in our community because of our members' willingness to volunteer and help. Please thank Lucy when you see her next.

Alice Schneider, President

The Garden Club does not meet in December.

See and learn about the newest and prettiest annuals being offered in 2022.

We are saddened by the death of Phillip Glotfelty, M.D. on October 28. Phil was a good friend to the Marshall Area Garden Club always helping wife, Marlene, set up flower shows, in Marshall and in Lansing, and preparing their property for the Welcome to My Garden tour. There is a beautiful tribute to this exceptional gentleman on the Kempf website.
Rest in Peace Dr. Phil.
